A quarterly newsletter published for the customers of MFB Financial

**THE BEST OF
OUR PAST
AND THE
EXCITEMENT OF THE FUTURE**

At the ribbon cutting ceremony in March, Mayor Luecke shared in celebrating the opening of MFB Financial's new downtown South Bend Banking Center. Over 150 distinguished guests enjoyed elegant cuisine and friendly conversation at the Open House. Located at One Michiana Square, Suite 150, Michiana's Finest Bank is providing a full service facility that includes a drive thru. Its unique approach to the modern day banking environment is evident the moment you walk through the door. Accenting the entryway is a gallery of attractive local landmark prints, courtesy of Northern Indiana Historical Society. The lobby is further enhanced by the "Sip and Surf Cafe". A customer may access internet banking on a computer while enjoying a delicious cup of flavored coffee supplied by the South Bend Chocolate Factory. Live coverage of stock tips and news may be viewed by customers who take a moment to visit this futuristic office. This office reflects MFB's commitment to offer state-of-the-art banking, products, and service.
